Section 3.3. Votes of Unit Owners.

(a) All voting concerning the administration of the Condominium shall be in accordance with this Section 3.3(a). Voting is on the basis of one vote per Unit. The vote for each Unit may be cast as agreed by the person(s) who have an ownership interest in the Unit and if only one such person is present it is presumed that person has the right to cast the Unit vote unless there is contrary evidence presented. In the event they cannot agree on the manner in which the vote is to be cast, no vote may be accepted from that Unit. One who holds a land contract purchaser's interest or any other such equitable interest shall be considered the Unit Owner for voting purposes. However, for purposes of being eligible to vote as a member of the Association, the land contract or other document establishing the equitable interest, or an instrument providing constructive notice of such interest, must be recorded in the La Crosse County Register of Deeds' office.

(b) Voting rights are granted concurrent with the recording of this Declaration, excepting the Declarant's special rights as set forth elsewhere herein.

(c) In the event the Declarant is an owner of a Unit, said Declarant owner shall be entitled to cast the vote designated above. For the purpose of clarification, "Declarant" as used herein shall not include individual members of the Declarant who may purchase individual Units.

(d) In no event shall an owner of a Unit be entitled to vote in accordance with this Section 3.3 until the Unit is substantially constructed and ready for occupancy.

ARTICLE IV. COMMON ELEMENTS

Section 4.3. Use of Common Elements. Each Unit Owner may use the Common Elements in accordance with the purpose for which they were intended pursuant to this Declaration and the Association Instruments adopted by the Association without hindering or encroaching upon the lawful rights of the other Unit Owners.

Section 4.4. Repair and Maintenance. The necessary work of maintenance, repair and replacement of the Common Elements and the making of any additions or improvements thereto shall be carried out only as provided in this Declaration, the Association Instruments and the Wisconsin Condominium Ownership Act.

Section 4.5. Easements. Each of the following easements and easement rights is reserved through the Condominium and is a covenant running with the land of the Condominium, and notwithstanding any of the other provision of this Declaration, may not be revoked and shall survive the exclusion of any land from the Condominium. None of these easements may be encumbered by any leasehold or lien other than those on the Condominium. Any lien encumbering these easements shall automatically be subordinate to the rights of the Unit Owners with respect to such easement.

(a) Utility and other Easements. The Association, through the Board, has the power, without joinder of any Unit Owner, to grant, modify or more easements such as electric, gas, cable television, or other access, utility or service easements, or relocate any existing easements, in any portion of the Common Elements as the Board shall deem necessary or desirable for the proper operation and maintenance of the Condominium. Such easements, or the relocation of existing easements, may not prevent or unreasonably interfere with the use of the Units. The Association, through the Board, may also transfer title to utility-related equipment, facilities or material, and may take any other action to satisfy the requirements of any utility company or governmental agent.

(b) Encroachments. If any Unit encroaches upon any of the Common Elements or upon any other Unit for any reason other than the intentional act of the Unit Owner, or if any Common Element encroaches upon any Unit, then an easement shall exist to the extent of the encroachment as long as the encroachment exists.

(c) Ingress and Egress. A non-exclusive easement shall exist in favor of each Unit Owner and occupant, their respective guests, tenants, licensees and invitees for pedestrian traffic over, through, and across sidewalks, streets, paths, walks, and other portion of the Common Elements as from time it time may be intended and designated for such purpose and use, and for vehicular and pedestrian traffic over, through, and across such portion of the Common Elements as from time to time may be paved or intended for such purposes, and for purposes of ingress and egress to the public ways.

Section 4.6. Restraint upon Separation and Partition. The undivided share of ownership on the Common Elements and common surplus appurtenant to a Unit cannot be conveyed or separately described. As long as the Condominium exists, the Common Elements cannot be partitioned. The shares in the funds and assets of the Association cannot be assigned, pledged or transferred except as an appurtenance to the Units.

ARTICLE V. LIMITED COMMON ELEMENTS

Section 5.1. Repair and Maintenance. Each Unit Owner shall be entitled to the exclusive use and possession of the Limited Common Elements which have been identified in the Condominium Instruments as belonging to such Unit Owner, including Limited Common Elements located outside of and/or adjoining their respective Unit, including but not limited to balconies, patios, decks, driveways, boat slips, terraces, and Parking Stalls. Unless and until such time as the Board determines to the contrary, each Unit Owner shall be responsible for repair, maintenance and appearance of the Limited Common Elements (except that the Association shall maintain the driveways, exterior parking stalls and marina as they do other Common Elements) the exclusive use and possession whereof is extended hereby, at his/her own expense including (without limitation) responsibility for breakage, damage, malfunction and ordinary wear and tear. A Unit Owner shall not paint, or otherwise decorate or adorn or change the appearance of any such Limited Common Element in any manner contrary to such rules and regulations as may be established by the Board or the Developer.

Section 5.2. Use. Subject to rules and regulations established by the Association's Board, and except as otherwise provided herein, the manner of use of the Limited Common Elements shall be determined by the Unit Owner or Owners who have the exclusive use of such Limited Common Elements.

ARTICLE VI. RESTRICTIONS ON USE

Section 6.1. Units. The Residential Units and Limited Common Elements appurtenant to such Residential Unit shall be used for residential purposes only, by the Unit Owners, their respective family members, guests and approved tenants; and shall not be used for any trade or

business. No Residential Unit may be divided into a smaller Residential Unit or Units, nor shall part of a Residential Unit be sold or otherwise transferred. No leasing of Residential Units is permitted without advance written consent of the Board. Transient occupancy, use or rental, for such purposes as Airbnb, VRBO or similar uses, is expressly prohibited. Notwithstanding anything to the contrary contained herein, the use of the Residential Units, Common Elements, and Limited Common Elements shall comply with all applicable ordinances, statutes, rules or other validly imposed requirements of any governmental body or agency and any other restrictions as contained in the Association Instruments and any rules and regulations adopted by the Association. No use may unreasonably interfere with the use and enjoyment of the Common Elements by other Unit Owners.

Section 6.2. **Material Storage.** There shall be no storage of any material which would increase the insurance rates on the Condominium.

Section 6.3. **Enforcement.** Any and all attorneys' fees and other expenses incurred by the Developer and/or Association in the enforcement of this Declaration shall be reimbursed by the Unit Owner in violation and may be assessed against such Owner's Unit.

Section 6.4. **Damage; Indemnity; and No Nuisance.** No damage to, or waste of, the Common Elements or Limited Common Elements or any part thereof shall be committed by any Owner or any Invitee, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by it, him or her or its, his or her Invitee, to the Association or other Owners. No noxious, destructive, illegal or offensive activity shall be carried on in any Unit, on the Common Elements, or on the Limited Common Elements or any part thereof; nor shall anything be done therein which may be or may become an annoyance or nuisance to any other Owner or to any other person at any time lawfully residing in the Unit. Use of radios, stereos, television, musical instruments, mechanical equipment and other devices emitting sound shall be limited to volumes which are not audible to other Unit Owners in their Units. Electrical devices for the control of insects shall not be permitted.

ARTICLE VII. COMMON EXPENSES

Section 7.1. **Allocation of Common Expenses.** Common Expenses shall generally be allocated and assessed on an annual basis among the Units based upon the number of units completed and/or under construction. The cost of maintenance, repair and replacement of those Common Elements is a common expense.

Section 7.2. **Lien.** The assessment of Common Expenses, together with such interest as the Association may impose in the Bylaws for delinquencies and with costs of collection and actual attorneys' fees, constitute a lien on the Units against which they are assessed. Attachment, filing, effectiveness, priority, and enforcement of the lien shall be as provided in Section 703.16, Wis. Stats., or as amended. Provided, however, that any such lien shall be inferior and subordinate to the lien for all sums payable to any first mortgage of record, which is recorded prior to any lien claim being recorded with the Register of Deeds Office or Clerks of Courts office for La Crosse County, WI.

Section 7.3. **Suspension of Voting Rights.** If any assessment of Common Expenses is delinquent and a statement of condominium lien as described in Section 703.16(9), Wis. Stats., or as amended, has been recorded against a Unit, the Association may suspend the voting rights of the delinquent Unit Owner. A delinquency resulting in the filing of a statement of Condominium lien against a Unit shall constitute an act of default under any mortgage secured by the Unit.

Section 7.4. **Joint and Several Liability.** Except as otherwise provided herein, unpaid Common Expenses assessed against a Unit shall be a joint and several liability of the seller and purchaser in a voluntary transfer of the Unit.

Section 7.5. **Foreclosure of Lien.** When any lien is foreclosed, if the Unit Owner remains in possession of the Unit, he or she shall pay a reasonable rental value of the Unit. The Association shall be entitled to the appointment of a receiver of the Unit, as a matter of strict right. Assessments shall be paid without offset or deduction. No Unit Owner may withhold payment of any assessment or any part thereof because of any dispute which may exist among a Unit Owner, the Association, the Declarant, or any of them. Rather, the Unit Owner shall pay all assessments pending resolution of any dispute. In the event the mortgagee of a first mortgage of record or any other purchaser of the Unit obtains title to the Unit as a result of foreclosure of a mortgage, or as a result of a conveyance in lieu of foreclosure, such purchaser or his or her successors and assigns shall not be liable for the total share of Common Expenses or assessments by the Association pertaining to such Unit or chargeable to the former Unit Owner, which Common Expenses or assessments became due prior to the acquisition of title. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible proportionately from all of the Unit Owners except the mortgagee or any other purchaser of a Unit who obtained title to the Unit as a result of foreclosure of a mortgage, or as a result of a conveyance in lieu of foreclosure.

Section 7.6. **Payment of Assessments.** Except for items such as insurance premiums which must be prepaid, assessments shall be paid in advance, in the form of a monthly maintenance fee determined by a budget of Common Expenses prepared by the Association. Special assessments for items not provided for in the budget shall be paid at such time or times, in a lump sum, or in such installments, as the Association may determine.

Section 7.7. **Working Capital Fund.** In accordance with 38 C.F.R. § 36.4358(b)(4)(ii), a working capital fund shall be established for the initial months of the project operations equal to a minimum of two months' estimated Common Expenses for each Unit.

ARTICLE VIII. INSURANCE

Section 8.1. **Casualty Insurance to be Maintained by the Association.** Subject to the discretion of the Board as provided for in the immediately following sentence, the Association shall obtain and maintain property and casualty insurance coverage using the special perils form, or its equivalent, equal to 100% of the full replacement value of the Building(s), the Common Elements, the Limited Common Elements, and any personal property owned by the Association.

The amount of such insurance coverage, the nature of hazards insured against, and the amount of any deductibles with respect to such insurance shall be reviewed by the Board and adjusted annually, if necessary, to reflect changes in the replacement value of the property being insured and after due consideration of such other matters as the Board deems appropriate in its reasonable discretion. Such insurance coverage shall be written in the name of, losses covered thereby shall be adjusted by, and the proceeds of such insurance shall be payable to, the Board as trustees for each of the Unit Owners in their respective Percentage Interests. The proceeds of the insurance shall be applied and disbursed by the Board for the repair, replacement and reconstruction of the Condominium.

Section 8.2. Liability Insurance to be Maintained by Association. The Association shall obtain and maintain comprehensive public liability insurance, including liability for injuries to and death of persons, property damage and such other similar events commonly insured against, arising out of or in connection with the use, ownership or maintenance of the Condominium. The limits of such insurance shall be as determined from time to time by the Board, and such insurance shall name as insureds the Declarant, Unit Owners, the Association and its Board, and the officers of the Association and such other Persons as deemed appropriate by the Board.

Section 8.3. Fidelity Coverage. To the extent commercially reasonable and available in the Board's discretion, the Association shall obtain and maintain fidelity insurance against dishonest acts by any person, whether such person is compensated or uncompensated, responsible for handling the funds belonging to or administered by the Association. In the alternative, the Association may require such persons to obtain said fidelity insurance or to provide the Association with a fidelity bond at such person's expense or the expense of the Association, as the Board may determine. The Association shall be a named insured or obligee under such insurance or bond, as the case may be. The amount of such insurance or bond shall be determined by the Board from time to time.

Section 8.4. Certificates. The Association shall, upon demand by a Unit Owner, furnish the Unit Owner certificates evidencing the insurance coverages to be obtained and maintained by the Association pursuant to Sections 8.1, 8.2 and 8.3 above.

Section 8.5. Other Insurance Coverages. The Association may maintain such other insurance coverages as its Board deems appropriate, including, by way of illustration, worker's compensation insurance (to the extent necessary to comply with any applicable laws).

Section 8.6. Premiums. Premiums for the insurance coverages maintained by the Association pursuant to Sections 8.1, 8.2 and 8.5 (or the cost of any bond as provided in Section 8.3) shall be assessed to each individual Unit Owner as part of its Common Expenses, with the amount to be assessed to each Unit to be determined by the Board within its reasonable discretion, based upon the available underwriting criteria of the insurance companies providing the applicable coverage. The determination of the Board with regard to such assessments shall be final and binding upon all Unit Owners.

Section 8.7. Other Insurance Obtained by Unit Owners. Maintenance of insurance by the Association does not relieve nor prohibit Unit Owners from maintaining insurance with limits in excess of those maintained by the Association or with regard to risks not insured by it.

Section 8.8. Damage or Destruction. In the event of damage to or destruction of all or and part of the Building(s) which are part of the Condominium, seventy-five percent (75%) of the Unit Owners must affirmatively vote to repair the damage or rebuild the destroyed property. Unit Owners are hereby advised that the coverages and limits of the insurance to be maintained by the Association under this Article VIII for the Unit Owners' benefit may not be sufficient to fully insure against any actual claims made or losses suffered. Upon the repair or reconstruction, the original "as built" architectural design, plans and specifications for the Condominium as it was originally constructed and finished by the Declarant shall be observed as nearly as practicable, including, without limitation, fixtures, interior partitions, interior doors, (including hardware), floors and stairways, built-in cabinets, built-in appliances, kitchen and bathroom tile, plumbing, wiring, heating and air-conditioning systems, floor coverings, wall coverings, and painting which comprise a part of the Condominium within the individual Units, and including changes required by all applicable governmental building codes, unless the Association authorizes a variance; provided, however, that, regardless of any authorized variance, the number of interior square feet of any Unit may not vary by more than five percent (5%) from the number of interior square feet of such Units as originally constructed. The number of Units shall remain the same. In the event of any variance, an amendment to the Declaration and an addendum to the Condominium Plat shall be recorded. All insurance proceeds received by the Association as a result of any damage or destruction to the Condominium shall be applied to the cost of repair or reconstruction. In the event the available insurance proceeds are insufficient to pay in full the cost of repairs or reconstruction, then in such event the shortfall shall be assessed to the Unit Owners as a special assessment in the manner provided in the Association Instruments.

ARTICLE IX. CONDEMNATION

The Association shall represent the Unit Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of the Common Elements or part thereof. The award of proceeds of settlement for a taking of part of all of the Common Elements shall be payable to the Association for the use and benefit of the Unit owners and their mortgagees as their interests may appear. The procedure for dealing with the total or partial condemnation of the Condominium shall be that set forth in Section 703.19, Wis. Stats., as the same may be amended from time to time.

ARTICLE X. ALTERATION AND DECORATION OF UNITS

Section 10.1. Alterations. A Unit Owner may make improvements or alterations within his or her Unit; provided however, that such improvements or alterations do not impair the structural soundness or integrity or lessen the support of any portion of the Building(s), do not reduce the value of the Condominium, and do not impair any easement. No exterior additions or alterations to the Building, fences, shrubs and trees, hedges, walkways, windows and other structures are allowed without advance written approval by the Developer, as long as its owns

any lands or units within the Development and Board of the Association, if one has been created. Any improvements or alteration which changes the floor plan of a Unit as designated on the original Condominium Plat or amendments thereto must be evidenced by the recording of a modification to the Condominium Plat before it shall be effective and must comply with the then legal requirements for such a purpose. Furthermore, any approved improvements or alterations must be accomplished in accordance with applicable laws and regulations, must not unreasonably interfere with the use and enjoyment of other Units, Limited Common Elements or the Common Elements, and must not be in violation of any underlying mortgage, land contract, or similar security interest.

Section 10.2. Expenses. All expenses involved in such improvements or alterations, including expenses to the Association, which it may charge as a special assessment to the affected Units, shall be borne by the Unit Owners involved.

ARTICLE XI. EASEMENTS

Section 11.1. Grant of Easements. In addition to existing easements of record, easements are reserved over, through and underneath the Common Elements for ingress and egress and for present and future utility services, including but not limited to, easements for water pipes, sanitary sewer pipes, emergency sewer lines, storm drainage pipes, electrical wires, television wires, security wires, and street lights, whether or not shown on the exhibits attached hereto. Easements for such utility services are reserved to the Declarant and Unit Owners. Easements for ingress and egress are reserved to the Association in, over, and under the Units, Common Elements and Limited Common Elements, their ceilings, floors, and walls for the purpose of making any repairs which are the obligation of the Association. The Association shall be responsible for any damage resulting from such easements and any costs related thereto shall be regarded as a Common Expense.

Section 11.2. Easements Run with the Land. All easements and rights set forth in this Declaration run with the land and are subject to the control of and enforcement by the Association. No Unit Owner shall commit any act which would jeopardize the soundness or safety of the property subject to this Declaration, reduce the value thereof, or impair any easement or hereditament.

ARTICLE XII. MAINTENANCE

Section 12.1. Association Maintenance. The maintenance, repair and replacement of all Common Elements and Association property shall be performed by the Association, and the cost is a Common Expense. The Association's maintenance responsibilities includes, without limitation; all electrical conduits located outside the Unit; plumbing fixtures and installations located outside the Unit, other installations located within a Unit but serving another Unit, or located outside the Unit for the furnishing of utilities to more than one Unit or the Common Elements. The Association's responsibility does not include interior electrical fixtures, switches or receptacles, plumbing fixtures, or other electrical, plumbing or mechanical installations

located within the Unit and serving only that Unit. If, in connection with the discharge of its maintenance responsibilities, the Association must remove, disassemble, or destroy portions of the Condominium property which the Unit Owner is required to maintain, repair, and replace, the Association shall be responsible for reinstallation or replacement of that item, to its unfinished state (i.e. excluding floor coverings, wall coverings, ceiling coverings, paint, wallpaper, paneling, etc.), provided that such items are part of the Condominium property as originally installed by the Declarant, or replacements thereof of like kind and quality. Replacement of all upgrades or additions, even if made by a predecessor in title, shall be the responsibility of the Unit Owner.

Section 12.2. Unit Owner Maintenance. Each Unit Owner shall furnish, at his/her/their own expense, and be responsible for all decoration, furnishing, housekeeping, maintenance, repairs and replacement of interior surfaces of each Unit, together with utility lines, mechanical equipment, heating, ventilation and air-conditioning equipment and fixtures which serve only one Unit, electrical fixtures and equipment which serve only one Unit, and such fixtures and equipment which are located within one Unit; and such fixtures and equipment which are located within one Unit; and glass surfaces, screens, doors, storm doors, windows, door and window hardware appurtenant to each Unit. Each Unit Owner is also responsible for the general cleanliness and presentability of the Limited Common Elements appurtenant to his/her/their Unit. Except as otherwise provided herein, the expense of such maintenance, repairs and replacement shall be borne solely by each such Unit Owner. No Unit Owner, except as otherwise provided herein or in the Bylaws, may do any alteration which would jeopardize the soundness or safety of the property, reduce the value thereof, or impair any easement of hereditament. In the event that the need for maintenance, repairs or replacement is caused through the willful or negligent act of the Owner, his family, or Invitees, the cost of such maintenance, repairs or replacement shall be added to and become a part of the assessment to which such Unit is subject. In the event an Owner fails to properly maintain and repair his Unit, then the Association, at the discretion of the Board, may make such repairs and do such maintenance as it may deem necessary to properly maintain that Unit. The cost thereof shall be assessed against the Unit Owner and the Association shall have a lien against the Unit for that cost as provided in this Declaration for Common Expenses. The Association may enter any Unit, and Limited Common Elements at reasonable times and under reasonable conditions when necessary in connection with any maintenance, construction, or repair of public utilities and for any other matter for which the Association is responsible. Prior notice to the Unit Owners shall be attempted, and the entry shall be made with as little inconvenience to the Unit Owner as possible under the circumstances. Any damage caused thereby shall be repaired by the Association and shall be treated as a Common Expense.

Section 12.3. Utilities. Each Unit Owner shall pay for his/her/their own telephone, cable television, electrical, and other utilities which are separately metered or billed to each user by the respective utility company. Utilities which are not separately metered or billed shall be treated as part of the Common Expense.

Section 12.4. Negligence of Owner. If, due to the negligent act or omission of a Unit Owner, or a member of his/her/their family, a household pet, or an Invitee of such Unit Owner, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or maintenance, repairs or replacements shall be required which would otherwise be a Common

Expense, then such Unit Owner shall pay for such damage and such maintenance, repairs and replacements as may be determined by the Board, subject to the rules, regulations and Bylaws of the Association.

ARTICLE XIII. RESERVED RIGHTS OF DECLARANT; TURNOVER OF CONTROL

Section 13.1. Declarant Control. Except as provided in section 703.15(2)(d), Wis. Stats., or as amended, Declarant reserves the right to appoint and remove officers and directors of the Association and to exercise the powers and responsibilities of the Association, its members and its directors until the earlier of either of the following shall occur: (i) expiration of three (3) years from the date this Declaration is recorded; or (ii) thirty (30) days after conveyance to purchasers of Units entitled to cast Seventy-five Percent (75%) of the votes available in the Association. During this period, Declarant shall have the full and exclusive right to take all action on behalf of the Association, including but not limited to, the right to (a) enter into leases of Units, (b) make contracts and agreements on behalf of the Association for maintenance, operation, and management of the Condominium, (c) determine, levy, and collect assessments, (d) grant easements, and (e) enact and enforce rules and regulations of the use of the Condominium. Any contracts or agreements entered into by Declarant on behalf of the Association with Declarant or an affiliate of Declarant shall not extend for a period exceeding one (1) year; provided, however, that such contracts or agreements may be automatically renewable if a reasonable period for giving notice of termination is provided at the end of each term. Furthermore, any such contracts or agreements shall provide for termination by either party without cause and without payment of a termination fee upon ninety (90) days' prior written notice. Notwithstanding the foregoing, this provision shall not apply to any lease, the termination of which would terminate the Condominium.

Section 13.2. Reservation of Rights. Notwithstanding any provision to the contrary, including the Turnover of Control, Declarant reserves the following rights: (i) to continue any unfinished development work on any unsold Unit, and on the Limited Common Elements and Common Elements (including obtaining any necessary easements therefore); (ii) to conduct promotional and sales activities using unsold Units, the Limited Common Elements and Common elements, which activities shall include but need not be limited to maintaining sales and management offices, parking areas, and advertising signs; (iii) to do all other acts Declarant shall deem reasonably necessary in connection with the development and sale of the remaining Units. However, any such acts shall not violate the rights of the Unit Owners or their mortgagees or unreasonably interfere with the use and enjoyment of the Units, Limited Common Elements, or Common Elements. Furthermore, Declarant shall be responsible for any damages resulting from the exercise of such rights. Declarant shall also have the right to grant easements over, through, or under any part of the Condominium for the benefit of the Condominium as a whole or any part thereof.

Section 13.3. Delegation of Rights. The Declarant may assign or delegate some or all of the Declarant's rights and duties (including the rights granted pursuant to this Article XIII)

hereunder by recording an instrument reciting such assignment or delegation with the Register of Deeds of Dane County, Wisconsin.

Section 13.4. Reservation of Easement. Declarant, and persons it may select, shall have the right of ingress and egress over, upon, and across the Common Elements and Limited Common Elements and facilities, and the right to store materials thereon and make such other use thereof as may be reasonably necessary incident to construction, development, and sales of the Units and operation of the Units and Common Elements and facilities in connection with the Condominium and the overall development of which the property is a part. Declarant and its agent shall retain the right to use the sales office and model Residential Unit, if any, and the Common Elements and Limited Common Elements and facilities in connection therewith during the period of development and sale of the Condominium.

ARTICLE XIV. MISCELLANEOUS PROVISIONS

Section 14.1. Association Rules and Regulations. The Association may from time to time promulgate such reasonable rules and regulations as are deemed necessary and desirable to carry out the purposes and intents of this Declaration, to promote the harmonious usage of the Common Elements, and to cause each Unit Owner to be free from any unreasonable interference with the peaceful use of his Unit and its appurtenances.

Section 14.2. Agent for Service of Process. Service of process on the Condominium or the Association may be made on **Attorney Phillip James Addis, Addis Law, LLC 504 Main Street, Suite 200, P O Box 1627, La Crosse, WI 54602-1104**

Section 14.3. The Board may, however, at any time designate a different person to receive service of process. The designation of a different person to receive service of process shall become effective upon being filed with the Wisconsin Department of Financial Institutions.

Section 14.4. Separate Mortgages of Units. Each Unit Owner shall have the right to mortgage or encumber his own respective Unit, together with his respective ownership interests in the Limited Common Elements and the Common Elements. No Unit Owner shall have the right or authority to mortgage or otherwise encumber in any manner whatsoever the Property or any part thereof, except his own Unit and his own respective ownership interest in the Limited Common Elements and the Common Elements.

Section 14.5. Separate Real Estate Taxes. Real estate taxes are to be separately taxed to each Unit Owner for his Unit and his corresponding percentage of ownership in the Common Elements, as provided in the Act. In the event that, for any year, such taxes are not separately taxed to each Unit Owner, but are taxed on the property as a whole, then each Unit Owner shall pay his proportionate share thereof, allocated in accordance with his respective percentage of ownership interest in the Common Elements.

Section 14.6. Impairment of Structural Integrity of Building. Nothing shall be done in any Unit, Limited Common Elements or in, on, or to the Common Elements which will impair the structural integrity of a Building or which would structurally change any Building except as is otherwise provided herein.

Section 14.7. Compliance. Each Unit Owner shall comply strictly with the covenants, conditions and restrictions set forth in this Declaration or in the deed to his Unit, and with the Bylaws and with the rules and regulations adopted pursuant thereto, as either of the same are amended from time to time. Failure to comply with any of the same shall be grounds for action to recover sums due, for damages or injunctive relief or both, maintainable by the Board on behalf of the Association or, in a proper case, by an aggrieved Unit Owner. Furthermore, all Unit Owners, tenants of such owners, employees of owners and tenants, or any other persons that in any manner use the property or any part thereof shall be subject to the Wisconsin Condominium Ownership Act and to this Declaration, the Articles of Incorporation of the Association and its Bylaws.

Section 14.8. Display of Model(s) by Declarant. Until all Units are sold, Declarant may occupy or grant permission to any person or entity to occupy, with or without rental, as determined by the Declarant, one or more Units for business or promotional purposes, including clerical activities, sales offices, model Units for display and the like; provided that the activities in the Units so occupied do not unreasonably interfere with the quiet enjoyment of any other Unit Owner or occupant.

Section 14.9. Severability and Interpretation. The invalidity of any covenant, restriction, condition, limitation, or any other provision of this Declaration or any part of the same, shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Declaration. The intent of this Declaration is to comply with Wisconsin Statutes and the provisions hereof shall be interpreted in the light of this expressed indication of intent.

Section 14.10. Certificates. All certificates stating facts in regard to the Condominium or any of its Units, including statements of condominium lien, statements regarding unpaid assessments against any Unit or the then-current status of documents related to the Condominium, shall be signed on behalf of the Association by an officer thereof.

Section 14.11. Encroachments. If any portion of a Unit, Limited Common Element or Common Element encroaches upon another, an easement for the encroachment and its maintenance shall exist. In the event all or a portion of the Condominium is damaged and subsequently reconstructed, the Unit Owners shall allow encroachments on the Units, Limited Common Elements, or on the Common Elements during construction, and easements for such encroachments and their maintenance shall exist.

Section 14.12. Amendments. Except as otherwise specifically provided herein, this Declaration may only be amended with the written consent of at least Seventy-five Percent (75%) of the Unit Owners and with the written consent of at least Seventy-five Percent (75%) of the first mortgagees of the Units; provided, however, that no such amendment may substantially impair the security of any Unit mortgagee. No amendment to this Declaration affecting the status or rights of the Declarant may be adopted without the written consent of Declarant. No amendment to this Declaration shall be effective until an instrument containing the amendment and stating that the required consents or votes were duly obtained, signed on behalf of the Association, and duly acknowledged or authenticated, is recorded with the La Crosse County Register of Deeds. For purposes of this provision, each Unit shall have one (1) vote. Furthermore, for purposes of clarification, it is intended that any amendment shall require both

the affirmative vote of at least Seventy-five Percent (75%) of the Unit Owners and the affirmative vote of at least Seventy-five Percent (75%) of the first mortgagees, calculated on a per-Unit basis. Notwithstanding the foregoing, no amendment to this Declaration that effects the Owner of the Commercial Unit may be made without the Commercial Unit Owner's written consent.

Section 14.13. Remedies. He or she shall have all of the general powers and duties which are usually vested in the office of President of a not-for-profit, non-stock corporation.

Section 6.4. Vice President. The Vice President shall take the place of the President and perform his or her duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board shall appoint some member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him or her by the Board.

Section 6.5. Secretary. The Secretary shall keep the minutes of all meetings of the Board and of the Association. He or she shall have charge of such books and papers as the Board may direct and he or she shall, in general, perform all the duties incident to the office of Secretary. The Secretary shall count the votes cast at any annual or special meeting of the Association or the Board.

Section 6.6. Treasurer. The Treasurer shall have responsibility for Association funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books of account and other customary financial records, all of which shall be the property of the Association. He or she shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, in such depositories as may from time to time be designated by the Board. The Treasurer shall also be responsible for the billing and collection of all Regular Assessments and Special Assessments made by the Association.

Section 6.7. Compensation. No officer shall receive compensation for services rendered to the Association unless the same be established by a resolution of the Members.

**ARTICLE VII.
COMMITTEES**

The Board of Directors shall have the authority to establish standing and ad hoc committees to assist the Board in conducting the affairs of the Association, and to dissolve any committees which do not, in the judgment of the Board, fulfill the purposes for which they were established. Each committee chairperson shall be a Director appointed by the Board. The Board may specify ex-officio members and appoint others as it deems necessary. The Board act will vote upon the recommendation of each committee in carrying out its responsibilities to the Owners.

**ARTICLE VIII.
BUDGET, ASSESSMENTS AND DEPOSITORIES**

The Board shall at least annually adopt a budget for the operation of the Association. Such budget will contain estimates of the cost of operating the Association and shall include all common expense items, including, but not limited to, taxes; the maintenance and repair of all common areas and limited common areas; the cost of insurance of all types; management, maintenance and security personnel; administration costs; and any other expense item inuring to the benefit of all Members. The Board shall determine what sums, if any, will be required for improvements, capital expenditures, reserves or replacement funds, or other operations not included in the above which shall be included in the budget. The assessment calculation shall be based upon 26 units.

The estimate of the charges to be paid during each year by each Member for the share of the common expenses of the Condominium, in accordance with the provisions of the Declaration, shall be assessed against each Unit and paid at such time as provided in resolutions by the Board. Assessments shall be subject to the provisions of the Declaration. The first assessment payment shall be made, on a prorated basis where proper, upon receipt by the Member of his or her deed to his or her Unit. If such assessment proves inadequate, the Board at any time may levy a further assessment to be payable in such reasonable manner as the Board directs. Assessments and installments on such assessments shall be paid on or before the date when such assessments and installments are due. Any assessment or installment not paid when due shall be delinquent, and the Unit owner may be charged interest on the unpaid assessment or installment of such assessment. The interest charged shall be calculated from the date when the assessment or installment was first due until the date it is paid. The Board of Directors shall establish a uniform policy with regard to the number of days that must run following the due date for interest to be charged and shall establish the rate of interest to be charged on such unpaid assessments. Such rate of interest shall not exceed eighteen percent (18%) per annum for natural persons or the maximum rate of interest permitted by the usury laws of the State of Wisconsin. All payments upon account shall be first applied to the interest, if any, and then to the assessment payment first due. If a Member fails to pay the assessment within the time herein specified, such failure shall constitute a default hereunder and the Board shall take such appropriate measures as may be allowable by law, including, but not limited to, the filing of a statement of condominium lien in accordance with the Act, which statement shall be signed and verified by the Secretary or any other officer authorized by the Board. No Member shall be entitled to cast a vote for a Unit at any meeting of the Association if the Association has recorded a statement of Condominium

lien on the Member's Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

Section 8.3. Assessments to be paid by the Declarant. The Declarant will only be required to pay assessments on Units that have been finished to the level of a "White Box" finish. "White Box" finish is generally defined to mean a plain white box with a minimally finished interior, usually with ceilings, lighting, plumbing, heating and cooling (HVAC), interior walls (painted or unpainted), electrical outlets, bathrooms and an unfinished floor. If there is a shortfall in the funds necessary to pay all expenses due to their being less than 26 units at a White Box finish or owned by other parties, the Declarant shall cover any shortfall until all 26 units are subject to an assessment.

Section 8.4. Special Assessments. The Board may impose special assessments ("Special Assessments") not included in the annual operating budget for amounts necessary to establish or maintain reserves (for operations, capital improvements or otherwise) and such other anticipated or unanticipated expenditures as are approved by the Board from time to time.

Special Assessments shall be paid in a single payment or in such installments as the Board determines. Delinquent Special Assessments shall bear interest as provided in Section 8.2. The Board and the Association shall be entitled to take such actions as may be allowed by law to collect the Special Assessment in the same manner that it is entitled to collect regular assessments under Section 8.2.

Section 8.5. Depositories. The funds of the Association shall be deposited in a bank or banks or other depositories designated by the Board and shall be withdrawn therefrom only upon check or order signed by the officers who shall from time to time be designated by the Board for that purpose. The Board may require that all payment of assessments imposed by the Board against Members be paid by such Members directly to a designated depository. The Board may direct that checks of less than One Thousand Dollars (\$1,000.00) for payment of the obligations of the Association bear only one (1) signature of a designated officer but checks for a greater amount must bear a signature and counter-signature of designated officers.

ARTICLE IX. OBLIGATIONS OF THE UNIT OWNERS

Section 9.1. Maintenance and Repair.

a. Every Member must perform promptly all maintenance and repair work within his or her own Unit. Every Member shall keep the terrace or balcony appurtenant to his or her Unit in a clean and neat condition, and is expressly responsible for the damages and liabilities that his or her failure to do so may cause.

b. Each Member shall immediately reimburse the Association for any expenditures incurred in repairing or replacing any part of the Common Elements or Limited Common Elements in any manner damaged by him or her, any member of his or her family, any tenant, any employee or any other user or occupant of his or her Unit. This will not apply to damage caused by normal wear and tear.

Section 9.2. Use of Common Areas and Facilities. No Member shall place or cause to be placed any objects of any kind in the Common Elements, except in the Limited Common Elements appurtenant to his or her Unit, unless otherwise permitted. Any limitations on use shall be set forth in the Rules and Regulations.

Section 9.3. Right of Entry.

a. Each Member grants a right of entry to his or her Unit to the Association and to any professional property manager, management company or managing agent employed by the Board or to any other person authorized by the Board in case of any emergency, whether the Member is present at the time or not. Any damage or loss caused as a result of such entry shall be at the expense only of the Member if, in the judgment of those authorizing the entry, such entry was for emergency purposes.

b. Each Member shall permit such professional property manager, management company or managing agent employed by the Board or any other person authorized by the Board, or their representatives, when so required, to enter his or her Unit for the purpose of performing non-emergency installations, alterations or repairs, provided that requests for entry are made in writing (which includes e-mail notice) at least forty-eight (48) hours in advance and that such entry is at a time convenient to the Member.

Section 9.4. Rules of Conduct. The Units, Common Elements and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these Bylaws and any Rules and Regulations adopted by the Association.

Section 9.5. Rules and Regulations. The Board shall from time to time adopt rules and regulations ("Rules and Regulations") with regard to the manner of use, enjoyment and occupancy by Unit Owners of their Units and the Common Elements (including Limited Common Elements). All such Rules and Regulations will be adopted by the Board in its reasonably exercised discretion, consistent with its responsibilities to the Members and the Association (i) to further and enhance the maintenance, conservation and beautification of the Condominium, (ii) for the health, comfort, safety and general welfare of the Unit Owners, and (iii) to further the exercise of specific powers and authority of the Association as provided in the Declaration and these Bylaws. Written notice of the Association Rules and Regulations shall be given to all Unit Owners, and the Condominium shall at all times be used, occupied and enjoyed by Unit Owners subject to such Rules and Regulations. Any Rule or Regulation adopted by the Board, or amendments of existing Rules and Regulations adopted by the Board from time to time, may be amended at a meeting called for that purpose by the affirmative vote of those Members holding 75% or more of the total votes of all Members. No rule or regulation may be adopted or enforced by the Board which is conflicts with the terms of the Declaration.

Section 9.6. Remedies. Failure to comply with any of these Bylaws or any other rules, regulations, covenants, conditions or restrictions imposed by the Act, the Declaration or the Board shall be grounds for action to recover sums due for any financial losses or injunctive relief or both, maintainable by the Association or, in a proper case, by an aggrieved Member.

**ARTICLE X.
INDEMNIFICATION**

Section 10.1. Indemnification for Successful Defense. Within twenty (20) days after receipt of a written request pursuant to Section 10.3, the Association shall indemnify a Director or officer, to the extent he or she has been successful on the merits or otherwise in the defense of a proceeding, for all reasonable expenses incurred in the proceeding if the Director or officer was a party because he or she is a Director or officer of the Association.

Section 10.2. Section 10.2 Other Indemnification.

a. In cases not included under Section 10.1, the Association shall indemnify a Director or officer against all liabilities and expenses incurred by the Director or officer in a proceeding to which the Director or officer was a party because he or she is a Director or officer of the Association, unless liability was incurred because the Director or officer breached or failed to perform a duty he or she owes to the Association and the breach or failure to perform constitutes any of the following:

i. A willful failure to deal fairly with the Association in connection with a matter in which the Director or officer has a material conflict of interest.

ii. A violation of criminal law, unless the Director or officer had reasonable cause to believe his or her conduct was lawful or no reasonable cause to believe his or her conduct was unlawful.

iii. A transaction from which the Director or officer derived an improper personal profit.

iv. Willful misconduct.

b. Determination of whether indemnification is required under this Section shall be made pursuant to Section 10.5.

c. The termination of a proceeding by judgment, order, settlement or conviction, or upon a plea of no contest or an equivalent plea, does not, by itself, create a presumption that indemnification of the Director or officer is not required under this Section.

Section 10.3. Written Request. A Director or officer who seeks indemnification under Sections 10.1 or 10.2 shall make a written request to the Association.

Section 10.4. Non-Duplication. The Association shall not indemnify a Director or officer under Sections 10.1 or 10.2 if the Director or officer has previously received indemnification or allowance of expenses from any person, including the Association, in connection with the same proceeding. However, the Director or officer has no duty to look to any other person for indemnification.

Section 10.5. Determination of Right to Indemnification.

a. Unless otherwise provided by the Articles of Incorporation or by written agreement between the Director or officer and the Association, the Director or officer seeking indemnification under Section 10.2 shall select one of the following means for determining his or her right to indemnification:

i. By a majority vote of a quorum of the Board consisting of Directors not at the time parties to the same or related proceedings. If a quorum of disinterested Directors cannot be obtained, by majority vote of a committee duly appointed by the Board and consisting solely of two (2) or more Directors not at the time parties to the same or related proceedings. Directors who are parties to the same or related proceedings may participate in the designation of members of the committee.

ii. By independent legal counsel selected by a quorum of the Board or its committee in the manner prescribed in Section 10.5(a)(i) or, if unable to obtain such a quorum or committee, by a majority vote of the full Board, including Directors who are parties to the same or related proceedings.

iii. By a panel of three (3) arbitrators consisting of one arbitrator selected by those Directors entitled under Section 10.5(a)(ii) to select independent legal counsel, one arbitrator selected by the Director or officer seeking indemnification and one arbitrator selected by the two (2) arbitrators previously selected.

iv. By a court under Section 10.8.

v. By any other method provided for in any additional right to indemnification permitted under Section 10.7.

b. In any determination under Section 10.5(a), the burden of proof is on the Association to prove by clear and convincing evidence that indemnification under Section 10.2 should not be allowed.

c. A written determination as to a Director's or officer's indemnification under Section 10.2 shall be submitted to both the Association and the Director or officer within 60 days of the selection made under Section 10.5(a).

d. If it is determined that indemnification is required under Section 10.2, the Association shall pay all liabilities and expenses not prohibited by Section 10.4 within ten (10) days after receipt of the written determination under Section 10.5(c). The Association shall also pay all expenses incurred by the Director or officer in the determination process under Section 10.5(a).

Section 10.6. Advance Expenses. Within ten (10) days after receipt of a written request by a Director or officer who is a party to a proceeding, the Association shall pay or reimburse his or her reasonable expenses as incurred if the Director or officer provides the Association with all of the following:

a. A written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties to the Association.

b. A written undertaking, executed personally or on his or her behalf, to repay the allowance to the extent that it is ultimately determined under Section 10.5 that indemnification under Section 10.2 is not required and that indemnification is not ordered by a court under Section 10.8(b) (ii). The undertaking under this subsection shall be an unlimited general obligation of the Director or officer and may be accepted without reference to his or her ability to repay the allowance. The undertaking may be secured or unsecured.

Section 10.7. Non-exclusivity.

a. Except as provided in Section 10.7(b), Sections 10.1, 10.2 and 10.6 do not preclude any additional right to indemnification or allowance of expenses that a Director or officer may have under any of the following:

i. The Articles of Incorporation.

ii. A written agreement between the Director or officer and the Association.

iii. A resolution of the Board.

b. Regardless of the existence of an additional right under Section 10.7(a), the Association shall not indemnify a Director or officer, or permit a Director or officer to retain any allowance of expenses unless it is determined by or on behalf of the Association that the Director or officer did not breach or fail to perform a duty he or she owes to the Association which constitutes conduct under Sections 10.2(a)(i), 10.2(a)(ii), 10.2(a)(iii) or 10.2(a)(iv). A Director or officer who is a party to the same or related proceeding for which indemnification or an allowance of expenses is sought may not participate in a determination under this subsection.

c. Sections 10.1 to 10.12 do not affect the Association's power to pay or reimburse expenses incurred by a Director or officer in any of the following circumstances:

i. As a witness in a proceeding to which he or she is not a party.

ii. As a plaintiff or petitioner in a proceeding because he or she is or was an employee, agent, Director or officer of the Association.

Section 10.8. Court-Ordered Indemnification.

a. Except as provided otherwise by written agreement between the Director or officer and the Association, a Director or officer who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. Application may be made for an initial determination by the court under Section 10.5(a) (v) or for review by the court of an adverse determination under Sections 10.5(a) (i), 10.5(a) (ii), 10.5(a) (iii), 10.5(a) (iv) or 10.5(a) (vi). After receipt of an application, the court shall give any notice it considers necessary.

b. The court shall order indemnification if it determines any of the following:

i. That the Director or officer is entitled to indemnification under Section 10.1 or 10.2.

ii. That the Director or officer is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, regardless of whether indemnification is required under Section 10.2

c. If the court determines under Section 10.8(b) that the Director or officer is entitled to indemnification, the Association shall pay the Director's or officer's expenses incurred to obtain the court-ordered indemnification.

Section 10.9. Indemnification of Employees or Agents. The Association may indemnify and allow reasonable expenses of an employee or agent who is not a Director or officer by general or specific action of the Board or by contract.

Section 10.10. Insurance. The Association may purchase and maintain insurance on behalf of an individual who is an employee, agent, Director or officer of the Association against liability asserted against or incurred by the individual in his or her capacity as an employee, agent, Director or officer, regardless of whether the Association is required or authorized to indemnify or allow expenses to the individual against the same liability under Sections 10.1, 10.2, 10.6 and 10.9.

Section 10.11. Liberal Construction. In order for the Association to obtain and retain qualified Directors and officers, the foregoing provisions shall be liberally administered in order to afford maximum indemnification of Directors and officers and, accordingly, the indemnification above provided for shall be granted in all cases unless to do so would clearly contravene applicable law, controlling precedent or public policy.

Section 10.12. Definitions Applicable to this Article.
